

values check

See how the Values Check lens can help you improve your paintings! The green lens turns the colors of your painting to shades of gray so you can check the composition. This durable cast acrylic lens is distortion free and shaped to be easily held close to your face. It comes with a leather cord so it can be tied around your neck for convenience.

Give them as awards or sell them as a profit maker for your organization! They are a workshop favorite!

Retail cost is \$11 each including shipping and sales tax.
Values Checks will be shipped USPS First Class.
